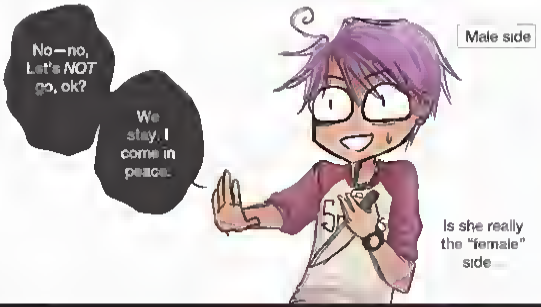
REALITY

When I was born, 2 souls were accidentally placed in my body
One female and one male



No—no, Let's NOT go, ok?
We stay. I come in peace.
Male side
Is she really the "female" side...

Oh~

Beech,
you wanna
fight?
Let's
go,

People take one look at you. And it's over for me.
I cease to exist.

Sure, we were placed in the same body by accident.
Domina
camazing
But you sure had an advantage over me. You exist to others, I don't.
Let's rectify the universe's mistake, shall we?

Kill me.
It's better for both if I didn't exist
One body. One soul No more confusion. No more fighting.
Maybe I can die and reincarnate to be in my proper form

Thus, 2 souls still reside within my body.

Snail Body as a result of the Male & Female truce

Aidyn
Male influence: 50%
Female* 50%

*snails are hermaphrodites/ androgynous/ has both genders

Welcome to Snailogy.
Confused about my biological gender?
Good. Be as confused as I am.
Sometimes I will be drawn as a male, sometimes a female, sometimes as Aidyn or an androgynous version of both
